Overview

Standing proudly on the white sandy shore of Albany's majestic Middleton Beach is the Albany Surf Life Saving Clubrooms. This modern two storey building has been built with style and panache and is located in Albany's premier beach front suburb of Middleton Beach, only five minutes from the Albany City Centre.

This magnificent venue is available for hire for your special occasion. Enjoy the ocean view and relax in the cool afternoon breeze. We are sure your guests will feel completely at ease whilst soaking in the beauty and tranquility of this special place.

The Venue

The venue can accommodate up to 170 people. Entry into the building is through the glass foyer from the large car parking area off Flinders Avenue. Downstairs, you will find the kitchen. A staircase and separate lift can allow your guests access to the upstairs function area.

The spacious light and bright open function area offers a modern new bar, a separate enclosed servery, and well appointed male, female and disabled toilet facilities. Wrapped around the ocean side of this impressive space is a huge balcony where guests can breath in the fresh sea air, do a spot of whale-watching or admire the reflection of the moon on the water over to Breaksea and Michaelmas Islands.
