@ASLSC

Registration Day
16 September 2018
9am-12pm
@ASLSC

SMITH
THORNTON
ACCOUNTANTS

AGM is coming up – 17th August – WE NEED YOU!

This is a call out to anyone who can spare some time for the benefit of the Surf Club to please contact me now and have a chat about positions available for next season.

We are still chasing a new Treasurer to replace Beth – so super keen to hear from anyone interested in this – we have split this role so its not as demanding as it was. This role is now more of a strategic or directional position overseeing the club's finances.

As many of you know we are going to a new structure that will hopefully share the load better by adopting subcommittees for the various areas of the club. These will effectively be teams that will work on general operations of club activity. It is not particularly onerous if we can share the load amongst a group of people, and doesn't need to involve heaps of meetings.

We will soon distribute a new club structure so you can see the positions available, but for now we are looking for people to join the following teams:

- **Admin** – media, registration, IT, archives, compliance, communications, etc
- **Membership** – awards & member recognition, merchandise, sponsorship, grants, etc
- **Education & Lifesaving** – training, assessing, first aid, IRB's, Jetskis, patrols, water safety, etc
- **House** – venue hire, canteen, bar, maintenance, OHS, etc
- **Surf Sports** – encompassing senior, junior and youth
- **Events** – competition, social, community events
-

At this stage all we need to know is if you are keen to help and your preferred team, we can allocate specific roles later.

Many thanks in advance – lets keep this great club GREAT!

Rob Mason - President

Albany Surf Craft Challenge 2018

**PLANNING FOR FUTURE
COASTAL EROSION**

The City of Albany invites you to help plan for management of future coastal erosion at Emu Point and Middleton Beach.

**COASTAL HAZARD RISK MANAGEMENT
AND ADAPTATION PLAN
(CHRMAP)**

SURVEY OPEN: APRIL - JULY 2018

Andrew Halsall Photography

HAVE YOUR SAY.....

The City of Albany is inviting the community to have its say on the future of Emu Point and Middleton Beach through a new online social pinpoint survey.

In the face of future sea level rise and coastal erosion, we want the community to identify the assets they value the most and give feedback on their protection.

This feedback will form part of a Coastal Hazard Risk Management and Adaptation Planning process being undertaken by the City to explore the values of our prime beaches, future threats, timeframes, treatments and trade-offs.

Let your views be known!
