

SPORT SAFE POLICY

The Club is committed to improving the health of the community through safe participation in surf lifesaving activities. All training and competition will include warm up, stretch and cool down routines.

Members, coaches and officiating personnel will be encouraged to attend approved training and accreditation courses in sports injury prevention and treatment when opportunities arise.

Appropriately qualified first aid personnel will be in attendance at all training and competition sessions and first aid equipment will be readily available.

Training and competition sessions will only be conducted in suitable environmental conditions. Members will notify the club of any medical conditions that may impact on their ability to safely participate in club activities. The club will record all medical conditions on a confidential database.
