Busy Bee & Registration Renewal – This Saturday 15th – 1 – 5pm

Its time to give the club a bit of a spruce up.

Please come down and lend a hand so that its sparkling for Registration Day on Sunday 16th. There is a bit to do, so many hands make light work. Bring tools or cleaning gear or just yourselves.

Bit of a sundowner afterwards for all the helpers & bring some bbq stuff if you like. See you there!

While you are there you can re-register if you haven't done it online and there will be Working With Children Forms for those who need to fill one out (ie you don't have a current WWC card).

The calendar for the season is pretty much finalised and some will be available in printed form on the weekend. We will attach to next week's Rip and put on website also – its busy as usual!

Surfsport News

G'Day Clubbies,

The season is fast approaching and there is a lot of work happening behind the scenes to ensure that we roll in to another exciting Surf Club season in 2018/19.

Karen Herlihy has been working hard to pull together a great crew of Age Group Managers and assistants. Thanks to all those who have expressed an interest to date – your help is very much appreciated and is what makes this club tick!

We will be holding the annual Age Group Managers and Water Safety Briefing at the club this Friday 14 September at 5pm. All AGM's and assistants are asked to attend so that we can brief everyone on how the 2018/19 program will run. There are a few important changes to note.

We do have a new Water Safety Coordinator this year in Chris Ficko. Chris will be on hand to provide an overview of how the critical Water Safety support for Nippers will be managed this season.

As "el-Prendte" has stated, registrations have opened for the 2018/19 season. Online rego is the way to go, however, we will be at the club on Sunday 16 September from 9am to 12noon to process registrations in person and to answer any questions people may have about the upcoming season.

See you on the beach!

Registration 2018-2019 Season

Registration day is soon upon us but for existing club members, the easiest thing to do is **to pay and register online**.

Please note that this season there is a requirement for at least one parent to join with Nippers (up to U/13). This brings us in line with most other Surf Clubs and ensures we have enough parent members to help out.

Either take out a family membership for your whole family, or a Parent Membership (\$100) in addition to your child's membership.

This season's membership fees are the same as the last few years however we will be introducing a member contribution to carnivals this season to assist with the cost of carnival entry fees - details to follow later.

Community Events

The Albany MTB club is holding its major event for the season – the Southern Peaks MTB race on Saturday 22 September. The club is asking for a few volunteers to assist with the event from 1-3pm, particularly to assist with getting bikes across the Emu Point channel via barge.

If anyone is keen to assist please contact Andrew Duffield on 0408 904 985 or Paul O'Donnell (paul.odonnell@cewa.edu.au) for further information.
