

How good was it to be back on the beach last Sunday? It was great to see everyone down there ready to kick off the season proper. Thanks to the Red Caps for setting the standard in being the duty Age Group last week. Your help in setting up / packing up and providing treats for the canteen was much appreciated.

There is certainly no let up this week with all sorts of activities in happening around our club.

Training got underway on Tuesday afternoon. Thanks to Nadine and Gavin and their band of coaches for pulling together what looks to be a great training program for this season. Remember that Chris Ficko and her water safety crew will be happy to see any BM or SRC qualified people to help out with water safety for these training sessions.

This Friday afternoon (16 November) will also be busy:

- At 4pm the first Advanced Nippers board training session gets underway for the season
- at 5:30pm the Patrol Briefing will be held for all patrolling members.
- at 6pm all members are invited to enjoy a sundowner with our principal sponsor Smith Thornton accountants.

Our second points day rolls around on Sunday morning with **YELLOW CAPS** being the duty age group. As usual please come on down around 8am to help set up the arena's and provide your scrumptious offerings to the canteen.

Seniors will also be in action with a Cameron Relay scheduled for this weekend.

As mentioned last weekend, Les Paxton will also be running the Nippers Rescue Certificate this Sunday. This short course will allow parents of Nippers to get in the water and help out with water safety (within constraints) without the need to do the full Bronze Medallion.

Nippers Training – 2018-19 Season

Beach training (run, sprint, relay, flags) will be held from 4pm to 4:45pm and water-based training (swim, boards) from 5pm to 6pm.

If you have your SRC or Bronze Medallion please come on down to the beach and help out with water safety.

Don't forget your CAP and YELLOW VEST for water-based training – ESSENTIAL

ATTENTION : WATER SAFETY REQUIRED SUNDAYS AND TUESDAYS : NIPPER PROGRAMME

Without your help we can't do it!!!

If you hold a Bronze or SRC please consider donning an orange rashie on Sunday mornings and Tuesday afternoons to provide water safety while our children are in the water.

Our minimum water safety ratio is 1:5 so without adequate numbers our kids don't get in the water. Simple as that.

It's a very rewarding way to spend an hour.

If you would like to be part of the orange rashie squad please give Chris a call or listen for the Shout out on Sunday mornings. Wetsuits advised.

IMPORTANT

shutterstock.com - 550320091

This year there will be a specific focus on the behaviour of all club members and guests attending the Rainbow Coast Development weekend. This is to ensure that we all enjoy the weekend and that the ongoing support of the Caravan Park is respected.

Please be aware that:

The park has established some behavioural rules around this weekend (see below).

Senior members of the Albany, Denmark and Esperance SLSC's will be patrolling the park to ensure compliance with park rules.

Water balloons are prohibited at the Caravan Park.

Members will be asked to sign a Code of Conduct reinforcing the expected behaviours at this event.

We are all representatives of the Albany SLSC and are responsible for our actions and those of our children / guests.

Please find attached a map of our main park - re the 'NO GO ZONE'

- there is no need for any child to go West past AB3 (unless it is closed for cleaning) and then they would need to go to AB2.
- There is also no need for any child to leave the park's boundary at all (& play on roads etc as per last year)
- No children are to play or stand around at our Entry or Exit Gates and hinder vehicles entering and leaving (as per last year) and or to play on the actual gate mechanisms.
- No children to lean on, play with, tamper in anyway the tennis court nets/mechanisms (this was a common everyday problem last year and we don't want to have to go through that again please)

I am happy to provide sponsorship of reduced tariffs again at \$12 per night per adult (17+) and \$6 per night per child (5-16) and infants (0-4) are free

The Canteen are asking members with some basic Barista to help make coffee on Sundays.

We are happy to give some training to help you to get up and running.

The canteen would like to thank the RED CAP parents who donated goodies on Sunday it was great. We really appreciate a great start!

Club Swim

A great turnout of 21 participants took part this week in the Remembrance Day handicap swim.

With a beach start this week, a very close race was had, with an even tighter finish!

A race out of the water and up the beach saw Gavin Shepherd cross the line in first place, closely followed by Peter Gray and Matt Wells. Another great result for all the swimmers with some PB's this week.

See you Sunday at 8.15am for more fun and thrills!
Richard Langston.

A very big thank you to Cameron Martin who has worked hard to register as a trainer for the Skipper Ticket with Yachting WA as Surf Lifesaving WA is not longer offering the course.

He is offering to run a course for members on the 15th and 16th December 2018 9:00am – 4:00pm.

1. **Youth Officials Program (YOP)**

Youth Leaders Program - Introductory Letter

Dear Youth Member,

Firstly, if you are a renewing member who has completed our Nipper program we are delighted that you have chosen to remain an active Surf Life Saving (SLS) member into the youth age groups. If you are new to SLS, welcome to our unique organisation. We hope that you will have a positive experience and enjoy your time as a member.

As a youth member in the U14-U17's age group, you will take part in a series of workshops and activities in your regular Sunday morning club sessions. These aim to develop your knowledge, understanding and skills in a range of areas around the SLSWA pillars of Lifesaving, Training and Surf Sports, thereby ensuring a varied, interesting and fun experience for you.

As part of our Youth Program you may wish to opt into our Youth Leaders Program (YLP). This program will add further value to your club-based activities by giving you the opportunity to keep a record of the things you do in the SLSWA areas outlined above.

There are three levels to the YLP, each of which we expect would take you roughly a season to complete. This is dependent on the hours you are able to commit to, so it is no problem if you complete a level in a shorter or longer timeframe; your achievement will be recognised accordingly.

In order to "opt-in" to this program, you will need to complete the registration form attached to this letter and return to SLSWA as per the instructions on the form.

Once your registration has been processed, you will receive a Welcome Letter and YLP Booklet for you to record your service hours.

We look forward to receiving your registration for the SLSWA YLP and to your future involvement in this exciting opportunity. Most of all however, we hope you enjoy everything about your SLS experience as a youth member.

Yours sincerely,

David Somers
